LONELY LAPTOPS

Don't leave your laptop unlocked when you leave your desk - even at home. You don't want someone (or your cat) to get access to your Twitter account and post random pics of an egg-laying, duck-billed, beaver-tailed otter-footed mammal.

PRACTICE PRIVACY RIGHTS:

Did you know laws across the world give you the right to access, delete, or edit the information companies have on you? This Data Privacy Week, exercise your rights and make a data request.
